Dear Parents:

Nothing makes a preschool better than the staff who work there. Most of our teachers and support staff have been here more than 5 years, which is usually unheard of in this profession. People who care that much about children will do everything they can to empower them to be the best they can be. We continue to grow here at Trinity and are

at capacity most days in each classroom. If your child will be returning next school year, please notify the office to receive an application, submit any updated medical information, and pay next year's registration fee. If you have a child who will be attending VPK, please have the voucher turned in no later than April 7.

We have fun activities planned this month. The Annual Easter Egg Hunt, Easter Parade, class parties, Earth Day

celebrations, and a visit from the Fire Department.

Looking ahead in May, we have our End of Year Picnic on May 6, Mother's Day Tea on May 12 (VPK only) and graduation on May 23.

The summer camp activities have been planned and soon you will be receiving a calendar of events and sign-up sheet. Remember, we accept siblings up to age 11.
