## Message From the Director

Hello Parents:  
We are excited to return to school following Hurricane Irma and hope that everyone fared well with minimal, if any, damage. Irma hit just as the students were beginning to settle into their new school routines. As a result, it may take some children a few more weeks to re-adjust. This is completely normal and we look forward to a wonderful rest of the school year.

During October, Autumn will be exploding in the classrooms. We'll discover the colors of Autumn through themes such as leaves and pumpkins.

Our Grandparent's Day Picnic had to be cancelled due to the storm, however, the dental hygiene presentation is re-scheduled for October 10.

We will be kicking off our "Snackin in

the USA" fundraiser on October 16 and it will continue through the 27th. Money raised is used to offset the cost of some of our special programs such as Farmer Minor and our Christmas Magic Show. Order forms and additional information will be distributed shortly. The class who sells the most will be rewarded with an ice cream party.

October 12 is picture day. With the exception of the 2 year old class, students will wear their uniforms. If your child isn't scheduled to attend that day, you may stop by just for pictures. Make-up day will be November 7.

October is National Pizza month. To celebrate we will be making our own English muffin pizzas on the 19th.

October 31 we will have our annual story book character parade. Please bring your child to his or her classroom by 8 am or by noon for the afternoon VPK class. After drop off, proceed to the circle drive in front

of the church. The parade will begin promptly at 8:30 and 12:30. Please bring enough candy to distribute to all the children and you may also want to bring a folding chair. No scary costumes allowed.

Gourds, Acorns, Plastic Spiders, Candy Corn, Fall Stickers

Our sincere thanks to everyone who participated in our Salvation Army Food Drive.

Kickin Kids Soccer registration forms are available. Coaches will be here Mondays at 9:30 for 2's & 3's & 10:05 for VPK. Afternoon class is contingent upon number of registrants.
