Dear Parents & Friends of Trinity,

This month, each class has been affected by the flu, upper & lower respiratory infections, strep throat, ear infections and various stomach ailments. We tend to see the numbers decrease somewhat in March. In the interim, please keep your child home if exhibiting any signs of illness. Only by leaving the germs at home can we eliminate them from the classroom. We are taking extra precautions by keeping things wiped down with Clorox wipes, frequent handwashing, and encouraging children to cough into their arm. As always, we are accepting Clorox Wipes & Lysol spray.

There's a lot happening in March. We're celebrating Dr. Seuss' birthday on March 1 by hosting guest readers all week & cooking green eggs & ham. Your child may wear their favorite PJs that day.

March 4 is picture day. Students may wear their Sunday best or an outfit of your choice. See your child's teacher if you have not received an order form. Please have your child at school on time this day. If your child usually isn't here on Mondays, you may bring them in for pictures only.

March 14 we'll be making green milkshakes to celebrate an early St. Patrick's Day. Every year we tend to have leprechauns sneak into the classrooms & make a mess.

Looking ahead, April 18 will be our annual Easter Parade. We'll be sending home cardboard hats & ties to be decorated.

We are pleased that so many of our two & three year olds will be back next year. We only have a few remaining openings so please return your enrollment packet if you plan on re-enrolling your child or have a sibling to enroll. Please keep in mind that your child cannot be moved from the 2 year old class until fully potty trained.

Thank you for your support and goodwill within the community. So many of the incoming parents have mentioned that they chose Trinity due to the positive comments from parents of our current or past students.

Our sincere thanks to all who participated in our annual Spaghetti Dinner Fundraiser. Because of you, we raised close to \$4000 for our summer program. We have a committee working on ways to improve the process for next year and apologize to everyone who had a long wait for food. Congratulations to everyone who won a basket or raffle item.
